Monday 31st October

Week 4 Term 4

Welcome to Week 4.

Today we welcomed Chloe into our infants classroom, and tomorrow we will welcome Rose for our transition to school session. I am sure our school community will make the Devers family feel very welcomed.

We are currently in the process of organising our classes and ordering supplies for 2017. If you are aware of any changes to your circumstances for next year please let a staff member know.

Tomorrow the students are making Sushi for their lunch. This will cost **\$4** to cover the expenses of the ingredients. If you have any sushi bamboo rollers please send them in tomorrow.

We recently entered a display of learning at the Alstonville Show. This looked so good that we received a highly commended award for our efforts. This display is currently hanging in the library for all to see.

Student Achievement

Communication at Fernleigh Public School

Our school is an exciting and very busy place to be. There is always so much happening both inside and outside of the classroom. With this in mind, we aim to keep you as informed and up to date as we can through various means which are outlined below.

Newsletter: Our newsletter is produced weekly each Monday. The newsletter with news and information is sent home via the school app and also placed onto our school website.

School App: The School Stream school app for your Smart device can be downloaded for free via your Apple or Android smartphone. We send out key reminders, announcements & newsletters.

School Website: You can find our website at <http://www.fernleigh-p.schools.nsw.edu.au/> On our website you can access notes the school newsletter, school news, photo galleries and general information.

Facebook: We would like to introduce a school Facebook page, used to celebrate student achievement and showcase many of the exciting things taking place at FPS. If you would like further information about this please speak to Mrs Reid or Mrs McClymont as we are currently writing a School Policy on our communication channels. Our aim is to promote positive achievements and differentiated learning within the school, to overcome our isolation, and to promote our school in an efficient manner.

If at any time you require clarification or further information, we encourage you to contact the school office on 66878267 between 8:30am – 4:00pm.
