Term 2 - Week 10

The final week of Term 2 will be a busy one!

Tomorrow is our **Library Working Bee** at 2pm. If you can spare any time we would appreciate your help, and the students will prepare afternoon tea for you.

Our **End of Term Assembly** is this Thursday at 3pm - we hope you can come along.

The **End of Term Treat Day** is this Friday - Children can wear their PJs and will cook nachos, possibly watch a movie as well as take part in the last week of tennis coaching and other fun activities.

As the school is being used for the election this Saturday, we would like to take the opportunity to showcase our school to the local community. The student's work will be displayed around the school and the P&C will be holding a tea, coffee and cake stall. If you would like to help please pop your name on the roster and/or please donate some cakes or biscuits to be sold on the day.

We are starting to plan our **Kindergarten 2017 Transition Program**. If you know of any students starting next year please contact the school, thank you.

**Working With Children Check** - If you volunteer at the school (eg for reading, music etc) you are now required to have a Working With Children Check, and provide the school with the check number. Please note that there is no cost for volunteers to apply for this check. More information can be found at:

<http://www.kidsguardian.nsw.gov.au/working-with-children/working-with-children-check/volunteers-and-students>

**Coming up in Term 3** - students in Years 2-6 have the opportunity to go to the **Byron Bay Writers Festival**. The festival has special Primary School days where students can listen to top authors talk about and discuss their books. This year students in Years 2-6 will be able to interact with Anna Fienberg (Tashi) and Damon Young and Peter Carnavas (My Nanna is a Ninja). More information will be sent home next term. For more notice of coming events, see the new term overview section in the newsletter.

We wish you all a safe and happy holiday and will see you back at school on **Tuesday 19th July**.

## Student Achievement

We had a very enjoyable and successful athletics carnival. Well done to all students for doing their best and their great sportsmanship.

The stall continues to thrive and we have added some more beautiful upcycled 'pots' for the plants. We will be making sure the stall is well stocked for Election Day, so please bring in more plants asap!

The K-2 class have been making a secret make believe garden... watch this space...

Preschool Reading

Making clay toadstools for our K-2 secret garden.
