# Student Achievement

**Pre-school reading** was a little different this week. Lilliana, Quinn, Marlow and I were able to teach the pre-school kids about Migaloo. We showed them pictures and taught them some interesting facts like how rare and big his is. I loved that they were interested and some even shared their whale experiences with us. Arabella

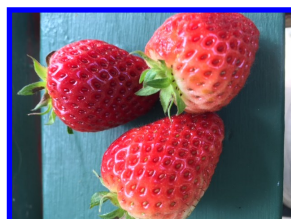

**If you have any more of these blue bottles from Aldi please bring them in!**

**Whale Tail Creating–** Today we welcomed Jyllie and Robyn to our school to assist us in designing and making our whale tale frames for the Ballina Prawn Festival. This included cutting bamboo, bending cane, sorting the plastics and peeling off their labels.

**School produce will be sold at our stall throughout the week. Grab yourself a bargain.**
