Our fishing excursion is this Wednesday. The bus will take us from school to Lake Chickiba where we will catch, identify and release a variety of fish. Please bring a rigged up rod and reel. If you don't have one please let us know **tomorrow morning** so we can purchase some spares. After fishing we will have lunch at Shaws Bay and some beach activities, followed by our last week of normal swimming lessons at Lennox Aquatic Centre.

Our end of year excursion will be to Paradise Country on the Gold Coast. This links into our sustainability focus – growing vegetables and chicken rearing etc. We will experience a variety of farm activities such as sheep shearing, cattle dog and stock horse shows. We will also enjoy the baby animal nursery with lambs, piglets and calves and the wildlife enclosure. The students will also participate in opal mining and fossicking. Thank you to the P&C for contributing to the cost of this excursion. We will be traveling to and from Paradise Country by bus. Mrs Reid, Mrs McClymont and Mrs Callahan will supervise the students during the day. Please return the attached permission slip as soon as possible.

We are currently organising classes for next year. If you know of any families that are moving into the area or would be interested in coming to Fernleigh Public School please ask them to contact us. Please inform staff if you are planning on making any changes to your child's/ children's enrolment plans for next year.

The end of year Presentation Assembly is being held on Friday **8th December at 10am**. Please bring a plate to share for morning tea after the assembly. Please also ensure students are in full school uniform as this is a formal assembly. Friends and family are more than welcome to attend this assembly.
