Principal: Melissa Dunbar-Reid

**Friday 24th February**

**Week 5 Term 1**

The role of the school is to work in partnership with parents to provide an environment that encourages students to connect with each other and their community, so they can succeed and thrive. Parents, teachers and the community all play an important role in fostering this nurturing, community minded environment. There have been some changes to our P&C executive for 2017. I would like to thank our previous P&C President Vince, Vice President Nicole, Secretary Eliza and Treasurer Sarah for their outstanding support they offered to the school. I am sure everyone will support our new executive throughout the year. Nicole is our new President, Darren is Vice President, Jess Secretary and Sarah Treasurer.

**Photo Exhibition**— Last weeks photography workshop was such a success we have decided to host a photography exhibition. This will take place on Tuesday the 7th March at 2.30pm. We would like parents to join us for afternoon tea prior to the exhibition.

**Pancake Fundraiser**— This Wednesday the children have the opportunity to purchase two pancakes with a scoop of ice-cream and some maple syrup for \$3. All profits will be donated to the local playgroup. We would like to teach the children the importance of giving back to their community. If you don't wish your child to eat the pancakes a small donation can still be made.

**Veggie Garden Fundraiser**- we have received a huge beautiful hamper from the Serafin family that we are raffling. All money raised will be used to purchase garden beds and supplies. Each child will receive a book with ten tickets to sell. If you would like more tickets please ask. If you do not wish to sell tickets please send the tickets back to school for another family to sell. We are also happy to take donations for this project.

**Class Dojo**— this is a reward system used in both the K-2 and 3-6 classes. This system has an App that can be downloaded onto any device. It allows you to discuss with your child what they have received points for and can foster communication between home and school. Teachers often load photos of activities throughout the day. Teachers can also be contacted privately on this App. Please note that you can only see your child's tally through your individualised password attached to the newsletter.

### What's Coming Up!

**Monday** - Library

**Tuesday** -

**Wednesday** – Pancake Fundraiser \$3

**Thursday**- Basketball

**Together We Grow**

# TOGETHER WE GROW

**Notes to Return-** In order to have the most up to date emergency contacts and medical information for the students, we are sending home ghosted student enrolment forms (apart from new students) so that any change of emergency contacts / doctors and medical conditions can be documented. An accompanying letter is with the form. Please return these as soon as you can.

**-Year 7 2018 Enrolment forms-** please fill these out and return back to Fernleigh Public School for processing.

## Photographs, Video Footage, YouTube & Social Media

This is a reminder to all parents that we need to continue to respect the privacy of other students and their families. If you are taking photos or video footage of school activities, please stay focused on your child. The images that you capture are not to be uploaded onto any social media sites, including YouTube, Facebook and like sites, without the express permission of the students concerned, their parents and the school. We appreciate your ongoing cooperation in regard to this matter.

Our afternoon massage trains were so relaxing.

**Online Learning-** This year we have subscribed to reading Eggs and Mathletics. Each child has an individual account that can be accessed at school and home. If you would like to know more or wish to have a copy of your child's Username and Password please see Melissa or Rachael.

**Raffle Prize-** a delicious hamper worth over

## How to get the school stream app on your mobile device?

1. From your mobile device go to The **App Store (iPhone/iPad)** or **Google Play (Android)**, search for **School Stream** and download the app to your phone
2. Once School Stream has finished installing, open the app, type your school name into the search **THEN** select your school
3. If you are prompted to accept push notifications, you will need to select OK
