## Learning in Action

## Cricket Recount

On Friday the 12th May the 3-6 class at Fernleigh Public School participated in a cricket lesson with Joey.

First we played cone tipping. The teams were called Harry High Pants and Larry Low Pants. I was in team Larry Low Pants.

Then we played throwing and catching. It was with a partner, my partner was Sumha. It was my favourite game.

Next we played a tennis, volleyball and cricket game. It was a great game. I was the last one in. I liked it because it was easy.

After that we went back to our classroom. I didn't think I was going to like cricket but I actually did.

I am now looking forward to do it again.

**Absences-** When your child is away, an explanatory note is required prior or within 3 days of return. Verbal advice is appreciated but for legal reasons, we do require an absence note. If your child plans on being absent for a week or more please see Mrs Reid for further information.

**Student Banking** Our school participates in the Commonwealth Bank School Banking program. It is a great way for your child to learn the good habit of saving money on a regular basis. Our school also benefits from commissions earned.
