Monday 22nd May

Week 5 Term 2

“Fab day Fernleigh crew-thanks to our fab teachers and amazing Billy Cart builders for making it happen...proud to be marching with the greens...” Denise

Well said Denise, the Billy Cart Derby was truly a wonderful day where our whole school community had the opportunity to shine. If you would like to see more photos we have added some to our Fernleigh Public School Facebook page.

Movement and Mindfulness

We are expanding our How2Learn Program by incorporating movement and mindfulness. We are welcoming a trained professional Jodie Lunn to provide the students with a six week program of Movement and Mindfulness. In these classes, the students will be doing exercises designed to lengthen and strengthen growing bodies, promote healthy digestion, circulation and breathing. Each class will be themed to tie in with the aspects of How2Learn that deal with loving and accepting our individual selves personalities and minds, positive thinking, and listening to and taking care of, ourselves and each other.

What's Coming Up!

Monday - Library
- School banking
Tuesday -
Wednesday -Pre-school reading
-Mindfulness
Thursday - Soccer
Friday - Cricket

Learning in Action

Last Wednesday was such a glorious day so we took our learning outside. The students produced some amazing writing. Enjoy!

I can see trees. The trees are green. I can see white butterflies chasing each other. I could hear whispering nature. I love going outside. By Charley

I can feel the soft grass and I could see the trees. I could hear the birds singing. The birds were singing tweet, tweet, tweet. By Mabel

My Nature Story

The grass has a luscious feel, it makes me feel calm. The twittering of little, old and young birds at Fernleigh.

I look up, guess what I see, I see birds on the big gum tree. The bamboo is smooth and rough. The leaves give me a slight flinch.

I look up again. This time the sky catches my eye. The wind moves the grass and the clouds ever so gently. Flowers run in the wind.

The rough trees give me an artistic feel. it also makes me feel like I'm a part of nature.

If you give me a handful of this everyday, I will be happy as a sun ray. By Lilliana

TOGETHER WE GROW

The students are delivering our school newsletter to Tintenbar Medical Centre and General Store on the way to Preschool reading on a Wednesday.

The ladies love to have a chat about what is happening in our wonderful school.

The Preschool children love having us back for reading.

They thought it was amazing this week to hear a kindergarten student read, knowing this will be them next year.

Bell Times

9.30am - Class
11.30 am- 12.15pm - Break 1
1.45pm - 2.15 Break 2
3.30pm - Home

Quote of the Week

"Those billy carts are just the prototype for next years ones!"
By Hunter O'Neill
