Monday 5th June

Week 7 Term 2

Parent /Teacher Meetings

As a follow up to the student/teacher conferences we are offering parent teacher meetings during weeks 9 and 10.

A timetable is attached. Please select two time options that suit you and we will do our best to accommodate your preferences. A confirmation of the allocated times will be sent home at the end of this week. If none of these times are convenient for you please speak to your child's teacher to make another time.

Teacher/Student Conferences

Over the next two weeks the students will be meeting with their teachers for a personal conference about their learning. This meeting will allow the students to reflect on what they know and what they need to work towards. Each student will be identifying personal learning goals in literacy and numeracy.

Cooking

We didn't get to our cooking lesson last week. We will be preparing our chia pudding tomorrow and will be eating it on Wednesday. If you didn't get a chance to pay last week and still need to pay it is \$3.

Playground Fun

The students are having a lot of fun playing with the new ribbon sticks. It is lovely to see them running, laughing and playing together.

Jelly Quake

On Friday 2/6/2017 Fernleigh Public School students made tower structures with toothpicks and marshmallows.

We had 15 small marshmallows and five big ones.

First Gus and I made our tower. We made sure it was stable. We put four big marshmallows at the top to keep it strong.

Then Gus and I put two toothpicks into every one of the big marshmallows. We put some little marshmallows on the top of the toothpicks. We kept on doing this to make it higher. We put a point on the top.

Next Mrs Callaghan got an aluminium tray filled with Jelly. We all crowded around to see what would happen. Jemma and Chloe went first, it was very cool.

After that Mrs Callaghan shook the tray everybody went silent. Their tower still stood after 30 seconds but it was totally wrecked in the end.

Finally Lilly and Lilliana went, their tower fell over at 20seconds. Then it was time for Gus and I to have our turn. Mrs Callaghan shook it. It with stood 30 seconds and then broke when we put it back on the table. Everybody had so much fun!
