Term 2 Week 8 Friday 22nd June 2018

What's Coming Up!

This week I attended a course to learn how to manage the new school website that will go live next term. This website is in the process of being developed by the NSW Dept of Education tech gurus. Part of this course included updating our school newsletter. We hope you like it!

School Photos

We are starting next week with our school photos, these will take place promptly at 9.30am. Students are expected to wear green shirts and maroon bottoms or the school dress. Please no tights or under shirts. Please take the time to neatly do your child's hair and keep ribbons to the school colours. If you have not returned your order form please send it in on Monday.

Uniform Survey

Attached to today's newsletter is a uniform survey that we would like all parents to complete and return to school by Wednesday 27th June. We would like to discuss the results with our school community at Thursday's P&C meeting.

Professional Learning

Mrs McClymont is excited to participate in an Effective Reading course next Monday and Tuesday. This will provide her with the most current and effective ways of managing reading in a K-2 classroom.

School assembly

We will hold our end of term assembly on Tuesday the 3rd July. This assembly will start promptly at 10am. Please bring a shared morning tea plate for after the assembly. This invitation is extended to family and friends. We look forward to seeing you there.
